## Spring Clean Your Lifestyle at the Green Living Show

*Canada's largest consumer show dedicated to healthy, sustainable living opens March 27 at the Metro Toronto Convention Centre*

**TORONTO --- February 12, 2015 ---** Spring is all about new beginnings, which makes it the perfect season to make healthier, more sustainable lifestyle choices that you can maintain the whole year round. The Green Living Show, taking place at the Metro Toronto Convention Centre on March 27-29, is THE kick off event to Earth Month, and is the best place to gather the tools you need to get you on the road to *a healthier you, a healthier planet*.

This year's show will showcase an impressive line up of speakers and more than 400 exhibitors representing the best in local and organic food, eco-fashion, natural beauty, fitness, hybrid and electrical vehicles and more—all under one roof.

Showgoers will get a chance to get an exclusive first look at sculptures made from the tree that inspired "Maple Leaf Forever", including a guitar commissioned by Blue Rodeo's Colin Cripps. An impressive array of chefs will delight palettes and inspire attendees to shrink their "food print", cook delicious meals and use ingredients with minimum waste. Beauty experts will also be on hand to show you natural alternatives to the chemical laden cosmetics in your make-up case.

Whether you're a shopaholic, a yogi, a conservationist, an eco-parent, a green car enthusiast or all of the above, the Green Living Show is your one-stop shop to a healthier you and healthier planet.
